

REMARKS

By way of this amendment, claims 60-69 have been canceled and new claims 70-110 have been added to further claim the subject matter of Applicants' disclosure. Thus, a total of 41 claims, including five independent claims, are now pending. A check in the amount of \$546.00 covering the extra claim fees is submitted herewith.

Additionally, paragraphs of the original "Summary of the Invention" section of the specification have been replaced with new paragraphs that are consistent with the new claims. Applicants do so in compliance with 37 C.F.R. § 1.73, which states that "Such summary should, when set forth, be commensurate with the invention as claimed..."

If there is any matter that the Examiner would like to discuss, the Examiner is invited to contact the undersigned representative at the telephone number set forth below.
